Masterbuilt Home, 90 Acres, 15 Mins from Goulburn!

"Sunnyvale" is a lovely lifestyle property of approx. 90 acres, with seven dams and a quality brick/ veneer home, originally built in 1983 by a local builder for his own family.

One of the outstanding features of the homestead is the addition of a rumpus, which, at a massive 108m² (approximately), allows plenty of space for a snooker table, air hockey and big screen TV! The kids can party safely with mates at home, rather than be out on the town.

With two other living/ dining areas, there's enough room to have your own space as well.

* The home also features 4 bedrooms, all with built-ins, main with en suite.
